Tanja E. Aalberts: A Foucauldian Approach to International Law. Descriptive Thoughts for Normative Issues, European Journal of International Law, Volume 19, Issue 4

A Foucauldian Approach to International Law and over one million other books are available for Amazon Kindle. Learn more

This book presents an innovative and interesting approach to international law. It addresses some fundamental issues and problems within international law, offering a fresh perspective on state power via the ideas of Foucault. It should serve as the means for deepening our understanding of the international legal framework.
