### **Whetstone Benchmark History and Results Roy Longbottom**

Abstract. The Fortran Whetstone programs were the first general purpose benchmarks that set industry standards of computer system performance. Whetstone programs also addressed the question of the efficiency of different programming languages, an important issue not covered by more contemporary standard benchmarks.

### **What is the difference between Sort and Filter function**

Hi all, In Report if we use sort it will display only either ascending or descending order. Where as in Filter, it is a condition that limits the amount of data that can be displayed in the report. Those records that satisfy the condition only are displayed in the record. Cheers, Praveen
