Jimmy and the Crawler by Raymond E Feist Goodreads

This is not to say I didn't enjoy Jimmy and the Crawler, this is a good little story with just the right amount of action, mystery and romance and I think Jimmy is an interesting, well formed, vicious character. I am always a bit of a sucker for a rogue and Feist nails it.

more Jimmy the Hand when he's little - he was my favourite character from the Magician series, I had such a crush on him. Very short story. The ending was a little too hasty for my liking, pretty sure it could not have been tied up nearly so neatly. But at the same time, by god was it *nice* to not have everything be doom and gloom even when it is dark and unhappy circumstances - sick of the only realism in stories being their description of torture and misery.
