Biography.com presents the life of aviation pioneer Bessie Coleman, who became the first African-American woman in America to stage a public flight in 1922.

Indy life Food & drink Health & families Love & sex Motoring Bessie Coleman: First African American woman to get international pilot licence.

Bessie Coleman (January 26, 1892 April 30, 1926) was an American civil aviator. She was the first woman of African-American descent, and the first of Native American descent, to hold a pilot license. She achieved her international pilot license in 1921.

Bessie is actually an incredibly important part of history to learn all about this amazing woman. She was the first African-American woman to earn a pilot's license. The Google Doodle shows Bessie Coleman in a pair of aviator goggles and a biplane, and for good reason.

From an early age, Bessie Coleman dreamed of flying, but racial bigotry and gender bias threatened to keep her grounded. Denied entrance to flight training school in the United States, Coleman went to Europe. She returned, triumphant, with a pilot's license and hopes of opening a flight school for African Americans.

Meet Bessie Coleman, the First Black Woman But this was a small part of Coleman's dreams she meant to use her life as Bessie Stringfield, the Bad-Ass
